Task 1:

Write over the letters/words with a pencil to practise. Then continue writing the word on the line. Think carefully about where you should start and finish each letter.

Words with the ascender letters:

f	of of
ff	off off
l	log load
ll	all doll
t	tall to too
h	hat has
b	bat blot
ck	sack clock

Words with the low bridge letters:

r	rag for
n	not knot
m	man most
p	post plant
ar	farm market
ng	long hang
m	form storm
p	lamp chop

Task 2:

Now, find lined paper and take one of these words (from the ascender words or the low bridge words) to write a sentence. Are you able to continue the correct joins on lined paper? Is your handwriting a decent size – not too small/big?

Write 6 sentences – taking 3 words from each list.

For example:

The farm market was very busy.
